CAA Annual Winter Gala Success

Thank you to everyone who attended our annual Winter Gala! The decorations were beautiful, the room full of awesome friends and the food was delicious. We had an awesome turnout (45 attendees!) and successfully raised funds to help with the upcoming year of activities. We all enjoyed seeing new and old faces!

Charlotte Women's March

Last month some members met up to participate in the Charlotte Women's March. Our very own Marie was even interviewed by some of the local news stations!

Gaming for Good

Like board games? Like kombucha? Like giving back? Come out and play games with some upstanding heathens as we raise money for domestic violence prevention. To play games it is only \$10 with 100% of proceeds being donated to Safe Alliance. Safe Alliance is a secular organization that works with victims and survivors of domestic violence.

Want to show even more support? Wear purple! It is the color of domestic violence awareness.

See you there for Settlers of Catan, Dominion, Cards Against Humanity, Ticket to Ride and more!
